Part # 1116

PRO-Basic LAN Cable Tester

✓ Included

This PRO-basic LAN Cable tester uses an LED display to show the condition of patch cables and installed cabling. It tests for faults such as open wires, shorts, reversed pairs, crossed pairs, split pairs and mis-wiring in seconds. With a push of the button, the cable tester will automatically scan all wires and pairs to determine any existent faults. Also tests the Shield connection on shielded (STP) cabling. The network cable tester includes one master and one remote unit. Detachable Remote Unit.

Features:

- Can test Installed cabling or Individual Patch Cords
- Tests the Shield connection on shielded (STP) cabling
- Compact and easy to carry
- Easy to verify cable continuously, open, short, and misswire

Part # LS25-1YL-1

Atcom Tools **PRO-basic LAN Cable Tester**

QuickTrex® Professional "Wire Surgeon®" Impact Termination Tool

✓ Included

Professional "Wire Surgeon®" Impact Termination Tool

(for "110" and optional "66" terminations)

This is probably the best Impact Termination Tool that you'll ever use! The tool of choice for professionals who demand the very best.

- Special ergonomic design with soft rubber cushioned handle for better grip that significantly reduces hand fatigue. Rounded butt end of tool fits more comfortably in the palm of your hand.
- Advanced impact regulating mechanism requiring less force (than traditional punch tools) Automatic Impact: choose low setting for 24/26 gauge wire or high setting for 22 gauge wire.
- Comes with "110" dual use (cut and non-cut) blade. "66" Blade available as an option. Optional extra blades store inside handle.
- Built in spudger and wire hook tools built into the handle for greater utility.
- Genuine QuickTrex® signature "Wire Surgeon®" product.

Part # QT-TPX5000

✓ Included

RJ-45 Crimping Tool - "QuickTreX® Professional "Wire Surgeon®" RJ-45 Crimper"

Professional "Wire Surgeon®" RJ-45 Modular Crimping Tool For 8P8C/RJ-45

- Ultra Low effort crimp mechanism for less user fatigue
- Calibrated to a nominal of .237" (for most High Quality RJ connectors), while maintaining an impressive +/- .005 tolerance.
- Meets FCC Spec 68.5
- Ultra precise and durable Zinc Alloy which supports the product for accurate results on each crimp, that is sure to last for years with continual use.
- Crowned Head(tm) pin arrangement accounts for flexing of the plug during the crimping process and reliably delivers evenly crimped pins.
- Crimps modular plugs in perfect and even parallel action with precise ratcheting mechanism
- Works with QuickTreX, SS, Sentinel, as well as Tyco type plugs (and many others). Will accept both types of latch locking stand offs (2 or 3) for a proper crimp of cable jacket, while maintaining the integrity of the conductors "lay".
- plug locks in place to maintain proper position to elevate movement. This allows the tool to crimp properly over the contacts while not damaging the plastic in the latch area, leaving a good clean crimp / connection.
- Accessible release button in the event the tool needs to be open prior to a full crimp.
- **Genuine QuickTreX™ signature "Wire Surgeon®" product**

Part # QT-TCX700

QuickTreX® Wire Surgeon® Wire and Kevlar Scissors

✓ Included

Electricians' Wire and Kevlar cutting scissors from QuickTrex® so precise that we named them "Wire Surgeon®"

Crafted in Germany of durable ice-tempered Solingen stainless steel that holds up under extreme use. This wire and Kevlar shear is precision designed for clean cutting and specially ground for use with wire, Kevlar, braiding, etc. Slight serrations on the blade prevent wire slippage and make dependable precise cuts possible. The ergonomically designed soft rubber handle provides fatigueless use suitable for right or left-handed people.

Whether you are a professional or amateur, you will agree that these are the best wire and Kevlar cutting scissors that you have ever used!

Part # QT-X9XL

QuickTrex® E-Z UTP Cable Stripper

✓ Included

The EZ UTP Cable stripper is the best tool that you'll ever use for stripping all UTP (cat 5E, cat6, etc) and STP (Cat5 Shielded) cables. The stripper is fast and precise, and never nicks the wire. This tool is a great time saver for both novices and professionals.
